END USER LICENSE AGREEMENT
(EULA)

1. CONTRACTUAL RELATIONSHIP

This is an agreement between you, the purchaser and licensee, and Fahd Al Fraikh. By purchasing, or downloading, or installing, or using, or otherwise handling the digital typeface software (made by Fahd Al Fraikh), you accept the terms of this agreement. In accepting the terms of this agreement, you acknowledge understanding and complying with its terms. This agreement replaces and supersedes any previously made oral or written proposal or agreement between you and Fahd Al Fraikh. You are not purchasing the copyright to the design or any other part of the fonts, but the rights, meaning a non-exclusive, non-transferable, perpetual, and worldwide license, to use the fonts as specified in this agreement. If you, the purchaser, are acting on behalf of the end user, you must ensure that the end user accepts this EULA as it is, i.e. without any alterations and / or amendments. You are not allowed to ask the end user any other price than the one offered by Fahd Al Fraikh. You must not use the respective software yourself.

2. DESKTOP LICENSING

For Desktop licensing, the following terms apply:

2.1 Usage rights

You are purchasing a certain amount of licenses to use fonts made by Fahd Al Fraikh on a certain number of devices within your organization. You may use the fonts for the creation of static or moving files like images and videos. This includes the use of fonts for broadcasts.

2.2 Installations

The amount of devices you may install the fonts on depends on the amount of licenses purchased, as referenced during your purchase and on your invoice. You may not install the fonts on any further devices, aside from the archival copies.

2.3 File handling

A copy of the fonts may be sent as part of a file release to a prepress bureau or printer if necessary. The fonts may be embedded into files of the Portable Document Format (PDF), PostScript (PS), and Encapsulated PostScript (EPS) types. The fonts must not be embedded into any other format under this license.

2.4 Modification

You must not modify the fonts under any circumstance.

3. WEB LICENSING

For Web licensing, the following terms apply:

3.1 Usage rights

You are purchasing a certain amount of licenses to use fonts by Fahd Al Fraikh on web servers under your control, and under control of a single organization, to serve to a specific number of website visitors per month. You are purchasing so-called self-hosted fonts that you host on your own servers.

3.2 Installations

For each license you purchase, you may install the fonts on any number of hosting services for any number of domains, as long as the overall number of monthly unique visitors of all websites served from those servers and domains added up is smaller than the number you have purchased licenses for. The number of allowed unique visitors is noted during your purchase and on your invoice.

3.3 File handling

The use of the fonts on devices in your organization is restricted to preparing their use on servers, for activities generally called "web development". A copy of the fonts may be sent to a third-party website developer if necessary. The fonts may be embedded into websites using the CSS @font-face technique. The fonts may not be embedded into any other format or in any other way under this license. You must not use the fonts to create or save raster or vector images.

3.4 Modification

You may not modify the fonts under any circumstance, except by subsetting the character set of the fonts, meaning using an application or service to reduce the number of characters or features in the font while not modifying any of the underlying character designs (also known as the design of the typeface) or font name tables. You may not, under any circumstances, modify the design of the typeface or its font name tables. Any rights, including but not limited to copyrights and trademarks, of both the original version and the edited version remains with Grilli Type and their respective owners, and the number of unique website visitors covered by the license remains the same overall. Outside of their legal use as described in this license, you may not distribute, lend, rent, sell, give away, publicly or privately share any modified or unmodified version of the fonts. I do not offer any support for or guarantee the proper functioning of any modified fonts.
